SOME EXTRA REASONS TO VISIT WALES IN 2013 —

Our conference starts on a Thursday, allowing you a few days to visit The Royal Welsh Show (Monday 22nd—Thursday 25th of July), only an hour away from our Conference Centre . Referred to by some, as The Greatest Show on Earth—it regularly attracts over 200,000 visitors every year, boasts a magnificent display of over 8000 of the nation's pedigree and commercial livestock, the largest display of sheep breeds anywhere in the world and the incomparable pageant of Welsh ponies and cobs ..

After the conference there is also the chance to enjoy The National Eisteddfod of Wales - a travelling festival which lasts for one week. In 2013 this will be held in Denbighshire from the 3rd—10th of August and showcases the very best of Welsh culture, music, dance, literature and visual arts. www.eisteddfod.org.uk/
